It is clearly agreed and understood that no difference or dispute shall be referred to arbitration, as hereinbefore provided, if the Company has disputed or not accepted liability under or in respect of this Policy.

It is hereby expressly stipulated and declared that it shall be a condition precedent to any right of action or suit upon this Policy that the award by such arbitrator/ arbitrators of the amount of the loss or damage shall be first obtained.

It is also further expressly agreed and declared that if the Company shall disclaim liability to the Insured for any claim hereunder and such claim shall not, within three years from the date of such disclaimer have been made the subject matter of a suit in a Court of Law, then the claim shall for all purposes be deemed to have been abandoned and shall not thereafter be recoverable hereunder.

12. Modification of the terms of the policy :

The company reserves the right to modify the policy terms and conditions or modify the premium of the policy with the prior approval of the Competent Authority. In such an event the insured will be intimated three months in advance and the insured has option to continue with the existing policy terms and conditions and premium for a period of one year from the date of renewal. Any renewal falling beyond the three month period will be on the revised terms only.

13. Withdrawal of the policy :

The Company reserves the right to withdraw the product with prior approval of the Competent Authority. In such an event the insured will be intimated three months in advance and the insured shall have the option to choose to be covered by an equivalent or similar policy offered by the Company.

14. Renewal Clause

The insurance in respect of each relevant person covered under this policy will be renewed except on grounds of misrepresentation / fraud committed.

A grace period of 30 days from the date of expiry of the policy is available for renewal. If renewal is made within this 30 days period the continuity of benefits will be allowed. However the actual period of cover will start only from the date of payment of premium. In other words no protection is available between the policy expiry date and the date of payment of premium for renewal.

Every renewal premium (which shall be paid and accepted) shall be so paid and accepted upon the distinct understanding that no alteration has taken place in the facts contained in the proposal or declaration herein before mentioned and that nothing is known to the Insured that may result to enhance the risk of the Company under the insurer. However in respect of Permanent Partial Disability claims the Company would exclude such disability on renewal in respect of such relevant person.

Where a claim for Permanent Total Disability is admitted / admissible, the policy is not renewable for such relevant person.

Renewal premium is subject to change with prior approval from the Regulator. Change of options/plans within same product is permissible only at the time of renewal.
